Item 1.01. Entry into a Material Definitive Agreement.

Securities Purchase Agreement

On February 19, 2009, EnteroMedics Inc. (the “Company”) entered into several binding Securities Purchase Agreements (the “Securities Purchase Agreement”) for the sale of 13,110,393 shares (the “Shares”) of its common stock, together with warrants to purchase an aggregate of 6,555,197 shares of its common stock, in a private placement transaction with several accredited investors (the “Private Placement”). The purchase price per share was \$1.15, which equaled the consolidated closing bid price of the Company’s common stock as reported by the Nasdaq Stock Market on February 19, 2009. The warrants will be exercisable at any time and from time to time beginning on the date that is six months and one day after the closing of the Private Placement and ending four years after the closing of the Private Placement. The warrants will have an exercise price of \$1.38 per share, which equals 120% of the consolidated closing bid price of the Company’s common stock as reported by the Nasdaq Stock Market on February 19, 2009. On February 24, 2009, the Company completed the final closing of the Private Placement.

Certain affiliates of the Company participated in the Private Placement on the same terms as the other investors as set forth above, including certain investors affiliated with the Company’s board of directors as follows: MPM Capital Funds, of whom the Company’s director Luke Evin is a managing director, acquired 1,765,499 shares of Common Stock, and warrants to acquire 882,749 shares of Common Stock; Bay City Capital, of whom the Company’s director Carl Goldfischer is a managing director, acquired 1,649,485 shares of Common Stock and warrants to acquire 824,742 shares of Common Stock; Aberdare Ventures, of whom the Company’s director Paul Klingenstein is a managing director, acquired 1,237,113 shares of Common Stock and warrants to acquire 618,557 shares of Common Stock; and InterWest Partners, of whom the Company’s director Ellen Koskinas is a managing director, acquired 678,402 shares of Common Stock and warrants to acquire 339,201 shares of Common Stock. In addition, Bobby Griffin, a director of the Company, acquired 206,186 shares of Common Stock and warrants to acquire 103,093 shares of Common Stock; Mark Knudson, Chairman and CEO of the Company acquired 65,979 shares of Common Stock and warrants to acquire 32,990 shares of Common Stock; and Greg Lea, CFO of the Company, acquired 16,495 shares of Common Stock and warrants to acquire 8,247 shares of Common Stock.

Pursuant to the Securities Purchase Agreement, the Company agreed to file a registration statement with the Securities and Exchange Commission (the “SEC”) within 45 days following the closing under the Private Placement, registering for resale a certain number of the shares of Common Stock and shares of Common Stock issuable upon exercise of the Warrants held by certain Eligible Investors (as defined in the Securities Purchase Agreement) for an offering to be made on a continuous basis pursuant to Rule 415 promulgated by the SEC pursuant to the Securities Act of 1933, as amended (the “Securities Act”). The Company also agreed to use its best efforts to have the registration statement declared effective as soon as practicable after the filing date of the registration statement, but in any event no later than 4:00 p.m. Eastern Time on the 90th day after the closing date, or if the registration statement is reviewed by the SEC, on the 135th day after the closing date. The Company has agreed to maintain the registration statement’s effectiveness until the earlier of (i) the first anniversary of the closing date, (ii) the date on which the registrable securities may be sold pursuant to Rule 144 without limitations on volume or manner of sales or (iii) such time as all registrable securities purchased by the Eligible Investor in the Offering have been sold pursuant to a registration statement or Rule 144. If the Registration Statement (i) has not been filed by the date required above, or (ii) has not been declared effective by the SEC on or before the date that is 135 days after the closing date, then the Company will be obligated to pay liquidated damages to the Eligible Investors in an amount equal to 1.5% of the aggregate purchase price for the registrable securities purchased by the Eligible Investors, for each 30-day period, or pro rata for any portion thereof, following the date by which the Registration Statement should have been declared effective; provided, however, that the aggregate amount of liquidated damages paid shall not exceed 5% of the aggregate purchase price for the registrable securities purchased by the Investors.

In addition, Canaccord Adams Inc., in its capacity as placement agent for the Private Placement, is entitled to a warrant to purchase 218,242 shares of Common Stock (the “Agent Warrant”). The Agent Warrant is in the same form as that issued to participants in the Private Placement and will be exercisable at any time and from time to time beginning on the date that is six months and one day after the closing and ending four years after the closing of the Private Placement.

The foregoing summary of the terms of the Securities Purchase Agreement and Warrants is subject to, and qualified in its entirety by, the form of Securities Purchase Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference, and the form of Warrant issued to the investors in the Private Placement, which is attached to this Current Report on Form 8-K as Exhibit 10.2 and incorporated herein by reference. The description set forth above in Item 3.02 below is incorporated by reference into this Item 1.01.

Item 3.02. Unregistered Sales of Equity Securities.

On February 24, 2009, EnteroMedics completed the sale of an aggregate of 13,110,393 shares of EnteroMedics Common Stock, together with warrants to purchase an aggregate of 6,555,197 shares of Common Stock to certain accredited investors, for gross proceeds of \$15,896,351, less a placement agent fee payable to Canaccord Adams Inc. of \$617,443.49 and certain other expenses. In addition, Canaccord Adams Inc. is entitled to the Agent Warrant. The description set forth above in Item 1.01 hereof is incorporated by reference into this Item 3.02.

The Shares, the Warrants and the Agent Warrant were offered and sold in the Private Placement to an accredited investor without registration under the Securities Act, or the securities laws of certain states, in reliance on the exemptions provided by Section 4(2) of the Securities Act and Regulation D promulgated thereunder and in reliance on similar exemptions under applicable state laws.

The Shares and Warrants are sometimes referred to herein collectively as the “**Securities**.”

2. Delivery of the Shares at Closing. The Investor's obligation to purchase the Securities shall be subject to the following conditions, any one or more of which may be waived by the Investor: (a) completion of purchases and sales under the Agreements with the Other Investors for an aggregate purchase price of not less than ten million dollars (\$10,000,000.00); (b) the delivery of the Legal Opinion to the Investor by counsel to the Company; (c) the accuracy of the representations and warranties made by the Company in this Agreement on the date hereof and, if different, on the Closing Date, in which case such representations and warranties shall be accurate in all material respects; (d) the fulfillment of the obligations of the Company to be fulfilled by it under this Agreement on or prior to the Closing; (e) the absence of any order, writ, injunction, judgment or decree that questions the validity of the Agreements or the right of the Company to enter into such Agreements or to consummate the transactions contemplated hereby and thereby; and (f) the delivery to the Investor by the Secretary or Assistant Secretary of the Company of a certificate stating that the conditions specified in this paragraph have been fulfilled. For purposes of this Agreement, "**Business Day**" shall mean any day other than a Saturday, Sunday or other day on which the New York Stock Exchange or commercial banks located in Minneapolis, Minnesota are permitted or required by law to close.

3. Representations, Warranties and Covenants of the Company. Except (i) as set forth in the Company disclosure schedules (the "**Disclosure Schedules**"), which Disclosure Schedules are being delivered to the Investors at the same time as this Agreement, and (ii) as otherwise described in the Company's Annual Report on Form 10-K for the year ended December 31, 2007 (and any amendments thereto filed at least two Business Days prior to the date hereof), the Company's Proxy Statement for its 2008 Annual Meeting of Shareholders, or the Company's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008 (and any amendments thereto filed at least two Business Days prior to the date hereof) or any of the Company's Current Reports on Form 8-K filed since November 15, 2007 and at least two Business Days prior to the date hereof (collectively, the "**SEC Reports**"), the Company hereby represents and warrants to, and covenants with, the Investor as of the date hereof and the Closing Date, as follows:

3.1 Organization. The Company is duly incorporated and validly existing in good standing under the laws of the State of Delaware. The Company has full power and authority to own, operate and occupy its properties and to conduct its business as presently conducted and is registered or qualified to do business and in good standing in each jurisdiction in which it owns or leases property or transacts business and where the failure to be so qualified would have a material adverse effect upon the Company or the business, financial condition, properties, operations or assets of the Company and its

subsidiaries as a whole or the Company's ability to perform its obligations under the Agreements in all material respects ("**Material Adverse Effect**"). The Company has no "subsidiaries" (as defined in Rule 405 under the Securities Act of 1933, as amended (the "**Securities Act**")), other than EnteroMedics SARL, a Swiss corporation (the "**Subsidiary**"), all of the capital stock of which is owned by the Company. For purposes of Section 3 of this Agreement, the term "Company" shall be deemed to refer to both the Company and the Subsidiary, unless the context otherwise requires. The Company has good and marketable title in fee simple to, or has valid rights to lease or otherwise use, all items of real and personal property that are material to the business of the Company free and clear of all liens, encumbrances, claims and defects and imperfections of title except those that (i) do not materially interfere with the use of such property by the Company or (ii) would not reasonably be expected to have a Material Adverse Effect.

3.2 Due Authorization. The Company has all requisite power and authority to execute, deliver and perform its obligations under the Agreement and the Warrants (together, the "**Transaction Documents**"). The execution and delivery of the Transaction Documents, and the consummation by the Company of the transactions contemplated hereby, have been duly authorized by all necessary corporate action and no further action on the part of the Company or its Board of Directors or stockholders is required. The Transaction Documents have been validly executed and delivered by the Company and constitute legal, valid and binding agreements of the Company enforceable against the Company in accordance with their terms, except to the extent (i) rights to indemnity and contribution may be limited by state or federal securities laws or the public policy underlying such laws, (ii) such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and (iii) such enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

3.3 Non-Contravention. The execution and delivery of the Transaction Documents, the issuance and sale of the Securities to be sold by the Company under the Transaction Documents, the fulfillment of the terms of the Transaction Documents and the consummation of the transactions contemplated thereby will not (A) result in conflict with or constitute a violation of, or default (with the passage of time or otherwise) under, (i) any bond, debenture, note or other evidence of indebtedness, or any material lease, contract, indenture, mortgage, deed of trust, loan agreement, joint venture or other agreement or instrument to which the Company is a party or by which the Company or the Subsidiaries or their respective properties are bound, except as would not reasonably be expected to have a Material Adverse Effect, (ii) the Certificate of Incorporation, by-laws or other organizational documents of the Company, as amended, or (iii) any law, administrative regulation, ordinance or order of any court or governmental agency, arbitration panel or authority binding upon the Company or its properties, except as would not reasonably be expected to have a Material Adverse Effect or (B) result in the creation or imposition of any lien, encumbrance, claim, security interest or restriction whatsoever upon any of the material properties or assets of the Company or an acceleration of indebtedness pursuant to any obligation, agreement or condition contained in any material bond, debenture, note or any other evidence of indebtedness or any material indenture, mortgage, deed of trust or any other agreement or instrument to which the Company is a party or by which it is bound or to which any material property or assets of the Company is subject, except as would not reasonably be expected to have a Material Adverse Effect. No consent, approval, authorization or other order of, or registration, qualification or filing with, any regulatory body, administrative agency, or other governmental body is required for the execution and delivery of the Transaction Documents by the Company and the valid issuance or sale of the Securities by the Company pursuant to the Transaction Documents, other than such as have been made or obtained, and except for any filings required to be made under federal or state securities laws.

3.4 Capitalization. The outstanding capital stock of the Company as of December 31, 2008 is set forth on Schedule 3.4 of the Disclosure Schedules. The Company has not issued any capital stock since December 31, 2008 other than the exercise of outstanding warrants or stock options. The Securities to be sold pursuant to the Transaction Documents have been duly authorized, and when issued and paid for in accordance with the terms of the Agreements, will be duly and validly issued, fully paid and nonassessable, subject to no lien, claim or encumbrance (except for any such lien, claim or encumbrance created, directly or indirectly, by the Investor). The Warrant Shares, when issued and paid for in accordance with the terms of the Warrants, will be duly and validly issued, fully paid and nonassessable, subject to no lien, claim or encumbrance (except for any such lien, claim or encumbrance created, directly or indirectly, by the Investor). The outstanding shares of capital stock of the Company have been duly and validly issued and are fully paid and nonassessable, have been issued in compliance with the registration requirements of federal and state securities laws, and were not issued in violation of any preemptive rights or similar rights to subscribe for or purchase securities. Except as set forth on Schedule 3.4 of the Disclosure Schedules and except as disclosed in the SEC Reports, there are no outstanding rights (including, without limitation, preemptive rights), warrants or options to acquire, or instruments convertible into or exchangeable for, any unissued shares of capital stock or other equity interest in the Company, or any contract, commitment, agreement, understanding or arrangement of any kind to which the Company is a party and providing for the issuance or sale of any capital stock of the Company, any such convertible or exchangeable securities or any such rights, warrants or options. Without limiting the foregoing, no preemptive right, co-sale right, registration right, right of first refusal or other similar right exists with respect to the issuance and sale of the Securities, except as provided in the Transaction Documents or except for such rights as may have been waived prior to the date of this Agreement. There are no shareholders agreements, voting agreements or other similar agreements with respect to the Common Stock to which the Company is a party or, to the knowledge of the Company, between or among any of the Company's shareholders .

3.5 Legal Proceedings. There is no material legal, regulatory or governmental proceeding pending, or to the knowledge of the Company, threatened, to which the Company is a party or of which the business or property of the Company is subject that is required to be disclosed and that is not so disclosed in the SEC Reports. The Company is not subject to any injunction, judgment, decree or order of any court, regulatory body, administrative agency or other government body. Neither the Company, nor any director or officer thereof, is or has been the subject of any action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty relating to the Company. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the SEC or state securities commission involving the Company or any current or former director or officer of the Company. The Company has not received any stop order or other order suspending the effectiveness of any registration statement filed by the Company under the Securities Exchange Act of 1934, as amended (the "**Exchange Act**"), or the Securities Act and, to the Company's knowledge, the SEC has not issued any such order. There are no material disagreements presently existing, or reasonably anticipated by the Company to arise, between the independent accounting firms formerly or presently engaged by the Company.

3.6 No Violations. The Company is not in violation of its Certificate of Incorporation, bylaws or other organizational documents, as amended, or in violation of any law, administrative regulation, ordinance or order of any court or governmental agency, arbitration panel or authority applicable to the Company, which violation, individually or in the aggregate, would reasonably be likely to have a Material Adverse Effect, and the Company is not in default (and there exists no condition which, with the passage of time or otherwise, would constitute a default) in the performance of any bond, debenture, note or any other evidence of indebtedness or any indenture, mortgage, deed of trust or any other material agreement or instrument to which it is a party or by which it or its property is bound, which default would reasonably be likely to have a Material Adverse Effect.

3.7 Compliance and Governmental Permits, Etc. The Company has all necessary franchises, licenses, certificates and other authorizations from any foreign, federal, state or local government or governmental agency, department or body that are currently necessary for the operation of the business of the Company as currently conducted, except where the failure to currently possess such franchises, licenses, certificates and other authorizations is not reasonably expected to have a Material Adverse Effect. The Company has not received any actual notice of any proceeding relating to revocation or modification of any such franchise, permit, license, or similar authority except where such revocation or modification would not reasonably be expected to have a Material Adverse Effect. The Company is not in violation of any statute, rule or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws applicable to its business except in each case as could not reasonably be expected to have a Material Adverse Effect.

3.8 Intellectual Property.

(a) Except for matters which are not reasonably likely to have a Material Adverse Effect, (i) the Company has ownership of, or a license or other legal right to use, all patents, patent rights, copyrights, trade secrets, trademarks, trade names, designs, manufacturing or other processes, or other proprietary rights used in the business of the Company (collectively, “**Intellectual Property**”) and (ii) all of the Intellectual Property owned by the Company consisting of patents, registered trademarks and registered copyrights have been duly registered in, filed in or issued by the United States Patent and Trademark Office, the United States Register of Copyrights or the corresponding offices of other jurisdictions (including foreign jurisdictions) and have been maintained and renewed in accordance with all applicable provisions of law and administrative regulations in the United States and/or such other jurisdictions.

The issuance of the Securities does not require shareholder approval, including, without limitation, pursuant to the Nasdaq Marketplace Rule 4350(i).

3.20 Offering Prohibitions. Neither the Company nor any person acting on its behalf or at its direction has in the past or will in the future take any action to sell, offer for sale or solicit offers to buy any securities of the Company which would bring the offer or sale of the Shares as contemplated by this Agreement within the provisions of Section 5 of the Securities Act. The Company has not made any offers or sales of any security or solicited any offers to buy any security, under any circumstances that would require registration of the Securities under the Securities Act. Assuming the accuracy of the Investors’ representations and warranties set forth in this Agreement, no registration under the Securities Act is required for the offer and sale of the Securities by the Company to the Investors as contemplated hereby. The issuance and sale of the Securities hereunder does not contravene the rules and regulations of the Nasdaq Stock Market

No person has the right to prohibit the Company from filing a registration statement in accordance with Section 6 hereof. The Company covenants that it shall provide and cause to be maintained a registrar and transfer agent for all Registrable Securities covered by any Registration Statement from and after a date not later than the initial effective date of such Registration Statement.

The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company is made known to the certifying officers by others within those entities, particularly during the period in which the Company's most recently filed periodic report under the Exchange Act, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of the end of the period prior to the filing date of the most recently filed quarterly or annual periodic report under the Exchange Act (such date, the "**Evaluation Date**"). 3.26 Application of Takeover Protections. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not create in any party (including any current stockholder of the Company) any rights, under any share acquisition, business combination, poison pill (including any distribution under a rights agreement), or other similar anti-takeover provisions under the Company's charter documents or the laws of its state of incorporation.

3.27 No Manipulation of Stock. The Company has not taken, nor will it take, directly or indirectly any action designed to or that might reasonably be expected to cause or result in stabilization or manipulation of the price of the Common Stock or any security of the Company to facilitate the sale or resale of any of the Shares.

3.28 Company Acknowledgement of Purchaser Representation. The Company acknowledges and agrees that Investor does not make or has not made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in paragraph 4 of the Securities Purchase Agreement, Section 4 of this Agreement, and in the Investor Questionnaire.

The Investor understands that the issuance of the Securities to the Investor has not been registered under the Securities Act, or registered or qualified under any state securities law, in reliance on specific exemptions therefrom, which exemptions may depend upon, among other things, the representations made by the Investor in this Agreement. No person is authorized to provide any representation that is inconsistent or in addition to those contained herein or in the SEC Reports, and the Investor acknowledges that it has not received or relied on any such representations.

4.2 Transfer of Securities. The Investor agrees that it will not make any sale, transfer or other disposition of the Securities (a "**Disposition**") other than Dispositions of Registrable Securities that are made by Eligible Investors pursuant to the Registration Statement or Dispositions by Investors that are exempt from registration under the Securities Act and, if made pursuant to the Registration Statement by Eligible Investors, without complying with any applicable prospectus delivery requirements.

4.3 Power and Authority. The Investor represents and warrants to the Company that (i) the Investor has full right, power, authority and capacity to enter into the Transaction Documents and to consummate the transactions contemplated thereby and has taken all necessary action to authorize the execution, delivery and performance of the Transaction Documents, and (ii) the Transaction

Documents constitute valid and binding obligations of the Investor enforceable against the Investor in accordance with their terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and except as enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law) and except as the indemnification agreements of the Investors herein may be legally unenforceable.

4.4 Short Position. The Investor has not established any hedge or other position in the Common Stock that is outstanding on the Closing Date and is designed to or could reasonably be expected to lead to or result in a Disposition by the Investor or any other person or entity. For purposes hereof, a "hedge or other position" would include, without limitation, effecting any short sale or having in effect any short position (whether or not such sale or position is against the box and regardless of when such position was entered into) or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to the Common Stock or with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from the Common Stock.

4.5 No Investment, Tax or Legal Advice. The Investor understands that nothing in the SEC Reports, this Agreement, or any other materials presented to the Investor in connection with the purchase and sale of the Securities constitutes legal, tax or investment advice. The Investor has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of Securities.

4.6 Confidential Information. The Investor covenants that from the date hereof it will maintain in confidence all material non-public information regarding the Company received by the Investor from the Company, including the receipt and content of any Suspension Notice (as defined in Section 6.2(c)) until such information (a) becomes generally publicly available other than through a violation of this provision by the Investor or its agents or (b) is required to be disclosed in legal proceedings (such as a request of a regulatory authority, by deposition, interrogatory, request for documents, subpoena, civil investigation demand, filing with any governmental authority, regulatory body or similar process); provided, however, that before making any disclosure in reliance on this Section 4.6, the Investor will give the Company prior written notice, as soon as reasonably practicable and if not prohibited under law or regulation, specifying the circumstances giving rise thereto and will furnish only that portion of the non-public information which is legally required and will exercise its commercially reasonable efforts to ensure that confidential treatment will be accorded any non-public information so furnished. The parties acknowledge and agree that as of the date hereof and as of the Closing Date, the Company has not disclosed any material non-public information to the Investor.

4.7 Acknowledgments Regarding Placement Agent. The Investor acknowledges that the Placement Agent has acted solely as placement agent for the Company in connection with the Offering of the Securities by the Company, and that the Placement Agent has made no representation or warranty whatsoever with respect to the accuracy or completeness of such information, data or other related disclosure material. The Investor further acknowledges that in making its decision to enter into this Agreement and purchase the Securities, it has relied on its own examination of the Company and the terms of, and consequences of holding, the Securities. The Investor further acknowledges that the provisions of this Section 4.7 are for the benefit of, and may be enforced by, the Placement Agent.

4.8 Additional Acknowledgement. The Investor acknowledges that it has independently evaluated the merits of the transactions contemplated by this Agreement, that it has independently determined to enter into the transactions contemplated hereby, that it is not relying on any advice from or evaluation by any other Investor, and that it is not acting in concert with any other Investor

(other than Investors who may be directly affiliated with such Investor) in making its purchase of the Securities hereunder. The Investor and, to its knowledge, the Company acknowledge that the Investors have not taken any actions that would deem the Investors to be members of a “group” for purposes of Section 13(d) of the Exchange Act. Such Investor is not purchasing the Securities as a result of any advertisement, article, notice or other communication regarding the Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement.

5. Survival of Representations, Warranties and Agreements. Notwithstanding any investigation made by any party to this Agreement or by the Placement Agent, all covenants, agreements, representations and warranties made by the Company and the Investor herein shall survive the execution of this Agreement, the delivery to the Investor of the Securities being purchased and the payment therefor, and a party’s reliance on such representations and warranties shall not be affected by any investigation made by such party or any information developed thereby.

6. Registration of Registrable Securities; Compliance with the Securities Act.

6.1 Registration Procedures and Expenses. The Company shall:

(a) subject to receipt of necessary information from the Eligible Investors (as defined below) (which shall include completion of the questionnaire attached hereto as Exhibit F, which form shall be completed and returned to the Company not less than five Business Days prior to the filing date of the Registration Statement), prepare and file with the Securities and Exchange Commission (“SEC”), within forty-five (45) days after the Closing Date (the “**Required Filing Date**”), a Registration Statement on Form S-3 to enable the resale of the Registrable Securities by the Eligible Investors from time to time on a continuous basis pursuant to Rule 415 of the Securities Act. For purposes of this Agreement, “**Registrable Securities**” means the Shares issued pursuant to the Agreement and the Warrant Shares issuable pursuant to the Warrants to those Investors other than the Restricted Investors (as defined below) (all Investors who are not Restricted Investors are referred to herein as “**Eligible Investors**”); provided, however, that the number of Registrable Securities that the Company shall be obligated to register under the Securities Act shall be limited to that amount which may be registered pursuant to General Instruction I.B.6 of Form S-3 or such other amounts as may be permitted by SEC guidance. For purposes of this Agreement, the term “**Restricted Investors**” shall refer to those investors who are current stockholders of the Company or affiliates of the Company and who are listed on Schedule 6.1(a) attached hereto.

(b) use its best efforts, subject to receipt of necessary information from the Eligible Investors, to cause the Registration Statement to become effective as soon as practicable after the Registration Statement is filed by the Company, but in any event no later than 4:00 p.m. Eastern Time on the 90th day after the Closing Date, or if the Registration Statement is reviewed by the SEC, on the 135th day after the Closing Date (such date, as applicable, the “**Required Effective Date**”). If the Registration Statement (i) has not been filed by the Required Filing Date or (ii) has not been declared effective by the SEC on or before the Required Effective Date, the Company shall, on the Business Day immediately following the Required Filing Date or the Required Effective Date, as the case may be, and each 30th day thereafter, make a payment to the Eligible Investor as partial compensation for such delay (the “**Late Registration Payments**”) equal to 1.5% of the purchase price paid for the Registrable Securities purchased by the Investor and not previously sold by the Investor until the Registration Statement is filed or declared effective by the SEC, as the case may be; provided, however, that in no event shall the payments made pursuant to this paragraph (b), if any, exceed in the aggregate 5% of such purchase price paid for the Registrable Securities; provided, further, that in all events such penalties shall cease to accrue with respect to any Eligible Investor on the date on which such Eligible Investor may sell Registrable

Securities pursuant to Rule 144 under the Securities Act or any successor rule (“**Rule 144**”) without limitations on volume or manner of sales. Late Registration Payments will be prorated on a daily basis during each 30 day period and will be paid to the Investor by wire transfer or check within five Business Days after the earlier of (i) the end of each 30 day period following the Required Effective Date or (ii) the effective date of the Registration Statement;

(c) use its best efforts to cause any Prospectus used in connection with any Registration Statement to be filed with the SEC pursuant to Rule 424(b) under the Securities Act as soon as practicable but in any event no later than 9:00 a.m. Eastern Time the next day that is not a weekend or holiday and the Nasdaq Stock Market is not closed following the date such Registration Statement is declared effective by the SEC and prepare and file with the SEC such amendments and supplements to the Registration Statement and the Prospectus used in connection therewith as may be necessary to keep the Registration Statement current and effective for a period ending on the earlier of (i) the first anniversary of the Closing Date, (ii) the date on which the Eligible Investor may sell Registrable Securities pursuant to Rule 144 without limitations on volume or manner of sales or (iii) such time as all Registrable Securities purchased by such Investor in this Offering have been sold pursuant to a registration statement or Rule 144, and to notify each Eligible Investor promptly upon the Registration Statement and each post-effective amendment thereto, being declared effective by the SEC;

(d) notwithstanding the other provisions of this Agreement, if at any time the SEC takes the position that some or all of the Registrable Securities may not be included in the Registration Statement because (i) the inclusion of such Registrable Securities violates the provisions of Rule 415 or the instructions of Form S-3 as a result of the number of shares included in such Registration Statement, and/or (ii) the Registrable Securities cannot be sold as an “at the market offering,” the Company shall (A) remove from the Registration Statement such portion of the Registrable Securities (the “**Cut Back Shares**”) and/or (B) agree to such restrictions and limitations on the registration and resale of the Registrable Securities as the SEC may require to assure the Company’s compliance with the requirements of Rule 415 (collectively, the “**SEC Restrictions**”). Any cut-back imposed pursuant to this Section 6.1(d) shall be allocated among the Eligible Investors on a pro rata basis. From and after such time as the Company is able to effect the registration of the Cut Back Shares in accordance with any SEC Restrictions (such date, the “**Restriction Termination Date**”) all of the provisions of this Section 6.1(d) shall again be applicable to the Cut Back Shares; provided, however, that for such purposes the Filing Date shall be deemed to be the Restriction Termination Date;

(e) furnish to the Eligible Investor with respect to the Registrable Securities registered under the Registration Statement such number of copies of the Registration Statement, and the Prospectus (including supplemental prospectuses) as the Eligible Investor may reasonably request, in order to facilitate the public sale or other disposition of all or any of the Registrable Securities by the Eligible Investor;

(f) file documents required of the Company for normal blue sky clearance in states specified in writing by the Eligible Investor; provided, however, that the Company shall not be required to qualify to do business or consent to general service of process in any jurisdiction in which it is not now so qualified or has not so consented;

(g) bear all expenses (other than underwriting discounts and commissions, if any) in connection with the procedures in paragraph (a) through (f) of this Section 6.1 and the registration of the Registrable Securities pursuant to the Registration Statement;

(h) advise the Eligible Investors, promptly after it shall receive notice or obtain knowledge of the issuance of any stop order by the SEC or any other federal or state governmental

authority delaying or suspending the effectiveness of the Registration Statement or of the initiation of any proceeding for that purpose; and it will promptly use its commercially reasonable efforts to prevent the issuance of any stop order or to obtain its withdrawal at the earliest possible moment if such stop order should be issued.

(i) with a view to making available to the Investor the benefits of Rule 144 and any other rule or regulation of the SEC that may at any time permit the Investor to sell Shares or Warrant Shares to the public without registration, the Company covenants and agrees to use its commercially reasonable efforts to: (i) make and keep public information available, as those terms are understood and defined in Rule 144, until the earlier of (A) such date as all of the Investor's Securities (including common stock issuable upon exercise thereof) may be resold pursuant to Rule 144 without volume or manner of sales limitations or any other rule of similar effect or (B) such date as all of the Investor's Shares shall have been resold; (ii) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act and under the Exchange Act; and (iii) furnish to the Investor upon request, as long as the Investor owns any Securities, (A) a written statement by the Company that it has complied with the reporting requirements of the Securities Act and the Exchange Act, (B) a copy of the Company's most recent Annual Report on Form 10-K or Quarterly Report on Form 10-Q, and (C) such other information as may be reasonably requested in order to avail the Investor of any rule or regulation of the SEC that permits the selling of any such Securities (including common stock issuable upon exercise thereof) without registration.

It shall be a condition precedent to the obligations of the Company to take any action pursuant to this Section 6.1 that the Eligible Investor shall furnish to the Company such information regarding itself, the Registrable Securities to be sold by Eligible Investor, and the intended method of disposition of such securities as shall be required to effect the registration of the Registrable Securities.

The Company understands that the Eligible Investor disclaims being an underwriter, but acknowledges that a determination by the SEC that the Investor is deemed an underwriter shall not relieve the Company of any obligations it has hereunder.

6.2 Transfer of Shares After Registration; Suspension.

(a) Each Eligible Investor agrees that it will not effect any Disposition of the Securities or Warrant Shares or its right to purchase the Securities or Warrant Shares that would constitute a sale within the meaning of the Securities Act other than transactions exempt from the registration requirements of the Securities Act, except as contemplated in the Registration Statement referred to in Section 6.1 and as described below, and that it will promptly notify the Company of any material changes in the information set forth in the Registration Statement regarding the Investor or its plan of distribution.

(b) Except in the event that paragraph (c) below applies, the Company shall: (i) if deemed necessary by the Company, prepare and file from time to time with the SEC a post-effective amendment to the Registration Statement or a supplement to the related Prospectus or a supplement or amendment to any document incorporated therein by reference or file any other required document so that such Registration Statement will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and so that, as thereafter delivered to purchasers of the Registrable Securities being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (ii) provide the Eligible Investor copies of any documents filed pursuant to Section 6.2(b)(i); and (iii) upon request, inform each Investor who so requests that the Company has complied with its obligations in Section 6.2(b)(i) (or that, if the Company has filed a post-effective

amendment to the Registration Statement which has not yet been declared effective, the Company will notify the Eligible Investor to that effect, will use its best efforts to secure the effectiveness of such post-effective amendment as promptly as possible and will promptly notify the Investor pursuant to Section 6.2(b)(i) hereof when the amendment has become effective).

(c) Subject to paragraph (d) below, in the event: (i) of any request by the SEC or any other federal or state governmental authority during the period of effectiveness of the Registration Statement for amendments or supplements to the Registration Statement or related Prospectus or for additional information; (ii) of the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose; (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose; or (iv) of any event or circumstance which necessitates the making of any changes in the Registration Statement or Prospectus, or any document incorporated or deemed to be incorporated therein by reference, so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; then the Company shall promptly deliver a certificate in writing to the Eligible Investor (the “**Suspension Notice**”) to the effect of the foregoing and, upon receipt of such Suspension Notice, the Investor will refrain from selling any Shares pursuant to the Registration Statement (a “**Suspension**”) until the Eligible Investors are advised in writing by the Company that the current Prospectus may be used, and has received copies of any additional or supplemental filings that are incorporated or deemed incorporated by reference in any such Prospectus. In the event of any Suspension, the Company will use its reasonable best efforts to cause the use of the Prospectus so suspended to be resumed as soon as reasonably practicable after delivery of a Suspension Notice to the Eligible Investors. In addition to and without limiting any other remedies (including, without limitation, at law or at equity) available to the Investor, the Investor shall be entitled to specific performance in the event that the Company fails to comply with the provisions of this Section 6.2(c).

(d) Notwithstanding the foregoing paragraphs of this Section 6.2, the Company shall use its commercially reasonable efforts to ensure that (i) a Suspension shall not exceed thirty (30) days individually, (ii) no more than two (2) Suspensions shall occur during any twelve month period and (iii) each Suspension shall be separated by a period of at least thirty (30) days from a prior Suspension (each Suspension that satisfies the foregoing criteria being referred to herein as a “**Qualifying Suspension**”). If a Suspension occurs and such Suspension is not a Qualifying Suspension (a “**Non-Qualifying Suspension**”), the Company shall, on the 10th Business Day immediately following the effectiveness of the Non-Qualifying Suspension and each 30th day thereafter, make a payment to the Eligible Investor as partial compensation for such Non-Qualifying Suspension equal to 1.5% of the purchase price paid for the Registrable Securities purchased by the Investor and not previously sold by the Investor until the Non-Qualifying Suspension has ended; provided, however, that in no event shall the payments made pursuant to this paragraph (d), if any, exceed in the aggregate 5% of the purchase price paid by the Eligible Investor for the Registrable Securities; provided, further, that in all events such penalties under this paragraph (d) shall cease to accrue with respect to any Eligible Investor on the date on which such Eligible Investor may sell Registrable Securities pursuant to Rule 144 without limitations on volume or manner of sales.

(e) If a Suspension is not then in effect, the Eligible Investor may sell Registrable Securities under the Registration Statement, provided that it complies with any applicable

prospectus delivery requirements. Upon receipt of a request therefor, the Company will provide an adequate number of current Prospectuses to the Eligible Investor and to any other parties requiring such Prospectuses.

(f) In the event of a sale of Registrable Securities by the Eligible Investor, unless such requirement is waived by the Company in writing, the Investor must also deliver to the Company's transfer agent, with a copy to the Company, a Certificate of Subsequent Sale substantially in the form attached hereto as Exhibit C, so that the securities may be properly transferred.

(g) The Company agrees that it shall, immediately prior to the Registration Statement being declared effective, deliver to its transfer agent an opinion letter of counsel, opining that at any time the Registration Statement is effective, the transfer agent shall issue, in connection with the sale of the Registrable Securities, certificates representing such securities without restrictive legend, provided the Registrable Securities are to be sold pursuant to the prospectus contained in the Registration Statement and the transfer agent receives a Certificate of Subsequent Sale in the form attached hereto as Exhibit C. Upon receipt of such opinion, the Company shall cause the transfer agent to confirm, for the benefit of the Eligible Investor, that no further opinion of counsel is required at the time of transfer in order to issue such Registrable Securities without restrictive legend.

The Company shall cause its transfer agent to issue a certificate without any restrictive legend to a purchaser of any Securities from the Investor, if (a) the sale of such Registrable Securities is registered under the Registration Statement (including registration pursuant to Rule 415 under the Securities Act) and the Eligible Investor has delivered a Certificate of Subsequent Sale to the Transfer Agent; (b) the holder has provided the Company with an opinion of counsel, in form, substance and scope customary for opinions of counsel in comparable transactions, to the effect that a public sale or transfer of such Securities may be made without registration under the Securities Act; or (c) such Securities are sold in compliance with Rule 144 under the Securities Act. In addition, the Company shall, at the request of the Investor, remove the restrictive legend from any Shares held by the Investor following the expiration of the requirement for such restrictive legend under Rule 144 under the Securities Act (or any successor rule). Each Investor, severally and not jointly with the other Investors, agrees that such Investor will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are Registrable Securities held by an Eligible Investor that are sold pursuant to the Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing Securities as set forth in this Section 6.2 is predicated upon the Company's reliance upon this understanding.

6.3 Securities Ineligible for Registration; Transfer Restrictions.

(a) Investors hereby acknowledge and agree that the Securities are "*restricted securities*" under applicable U.S. federal and state securities laws and that, pursuant to these laws, the Investor must hold the Securities (including shares of common stock issuable upon exercise thereof) indefinitely unless they are registered with the SEC and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The Investors acknowledge that the Company has no obligation to register or qualify any of the Securities (including shares of common stock issuable upon exercise thereof) for resale, except for the registration rights in Sections 6.1 and 6.2 hereof which pertain only to Eligible Investors and only with respect to Securities which qualify as Registrable Securities. The Investors further acknowledge that if an exemption from registration or qualification is available, it may be conditioned on various requirements including, but not limited to, the time and manner of sale, the holding period for the Securities, and on requirements relating to the Company which are outside of the Investor's control.

(b) Subject to Section 6.2(g) above, the Investors agree to the imprinting on any of the Securities in the following form:

THIS SECURITY HAS NOT BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS AS EVIDENCED BY A LEGAL OPINION OF COUNSEL TO THE TRANSFEROR TO SUCH EFFECT, THE SUBSTANCE OF WHICH SHALL BE REASONABLY ACCEPTABLE TO THE COMPANY. THIS SECURITY MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

The Company acknowledges and agrees that an Investor may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and who agrees to be bound by the provisions of this Agreement and, if required under the terms of such arrangement, such Investor may transfer pledged or secured Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Company and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Investors' expense, the Company will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities, including, if the Securities are subject to registration rights with the SEC, the preparation and filing of any required prospectus supplement under Rule 424(b)(3) under the Securities Act or other applicable provision of the Securities Act to appropriately amend the list of Selling Stockholders thereunder.

6.4 Indemnification. For the purpose of this Section 6.4:

(a) the term "**Selling Stockholder**" shall mean the Investor and each person, if any, who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act;

(b) the term "**Registration Statement**" shall include any final Prospectus, exhibit, supplement or amendment included in or relating to, and any document incorporated by reference in, the Registration Statement (or deemed to be a part thereof) referred to in Section 6.1; and

(c) the term "**untrue statement**" shall mean any untrue statement or alleged untrue statement, or any omission or alleged omission to state in the Registration Statement a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(d) (i) The Company agrees to indemnify and hold harmless each Selling Stockholder from and against any losses, claims, damages or liabilities to which such Selling Stockholder may become subject (under the Securities Act or otherwise) insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of, or are based upon (i) any untrue statement of a material fact contained in the Registration Statement, (ii) any inaccuracy in the representations and warranties of the Company contained in the Agreement or the failure of the Company to perform its obligations hereunder or (iii) any failure by the Company to fulfill any undertaking included in the Registration Statement, and the Company will reimburse such Selling Stockholder for any reasonable legal expense or other actual accountable out of pocket expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim; provided, however, that the Company shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of, or is based upon, an untrue statement made in such Registration Statement in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Selling Stockholder specifically for use in preparation of the Registration Statement, or any inaccuracy in representations made by such Selling Stockholder in the Investor Questionnaire or the failure of such Selling Stockholder to comply with its covenants and agreements contained in Sections 4.1, 4.2, 4.3, 4.4 or 6.2 hereof or any statement or omission in any Prospectus that is corrected in any subsequent Prospectus that was delivered to the Selling Stockholder prior to the pertinent sale or sales by the Selling Stockholder.

(ii) The Investor agrees to indemnify and hold harmless the Company (and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act, each officer of the Company who signs the Registration Statement and each director of the Company) from and against any losses, claims, damages or liabilities to which the Company (or any such officer, director or controlling person) may become subject (under the Securities Act or otherwise), insofar as such losses, claims, damages or liabilities (or actions or proceedings in respect thereof) arise out of, or are based upon, (i) any failure to comply with the covenants and agreements contained in Section 4.1, 4.2, 4.3, 4.4 or 6.2 hereof, or (ii) any untrue statement of a material fact contained in the Registration Statement if, and only if, such untrue statement was made in reliance upon and in conformity with written information furnished by or on behalf of the Investor specifically for use in preparation of the Registration Statement, and the Investor will reimburse the Company (or such officer, director or controlling person), as the case may be, for any reasonable legal expense or other actual accountable out-of-pocket expenses reasonably incurred in investigating, defending or preparing to defend any such action, proceeding or claim. The obligation to indemnify shall be limited to the net amount of the proceeds received by the Investor from the sale of the Shares pursuant to the Registration Statement.

(iii) Promptly after receipt by any indemnified person of a notice of a claim or the beginning of any action in respect of which indemnity is to be sought against an indemnifying person pursuant to this Section 6.4, such indemnified person shall notify the indemnifying person in writing of such claim or of the commencement of such action, but the omission to so notify the indemnifying party will not relieve it from any liability which it may have to any indemnified party under this Section 6.4 (except to the extent that such omission materially and adversely affects the indemnifying party's ability to defend such action) or from any liability otherwise than under this Section 6.4. Subject to the provisions hereinafter stated, in case any such action shall be brought against an indemnified person, the indemnifying person shall be entitled to participate therein, and, to the extent that it shall elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, shall be entitled to assume the defense thereof, with counsel reasonably satisfactory to such indemnified person. After notice from the indemnifying person to such indemnified person of its election to assume the defense thereof (unless it has failed to assume the defense thereof and appoint counsel reasonably satisfactory to the indemnified party), such indemnifying person shall not be liable to such indemnified person for any legal expenses subsequently incurred by such indemnified

person in connection with the defense thereof; provided, however, that if there exists or shall exist a conflict of interest that would make it inappropriate, in the reasonable opinion of counsel to the indemnified person, for the same counsel to represent both the indemnified person and such indemnifying person or any affiliate or associate thereof, the indemnified person shall be entitled to retain its own counsel at the expense of such indemnifying person; provided, however, that no indemnifying person shall be responsible for the fees and expenses of more than one separate counsel (together with appropriate local counsel) for all indemnified parties. In no event shall any indemnifying person be liable in respect of any amounts paid in settlement of any action unless the indemnifying person shall have approved the terms of such settlement; provided that such consent shall not be unreasonably withheld. No indemnifying person shall, without the prior written consent of the indemnified person, effect any settlement of any pending or threatened proceeding in respect of which any indemnified person is or could reasonably have been a party and indemnification could have been sought hereunder by such indemnified person, unless such settlement includes an unconditional release of such indemnified person from all liability on claims that are the subject matter of such proceeding.

(iv) If the indemnification provided for in this Section 6.4 is unavailable to or insufficient to hold harmless an indemnified party under subsection (d)(i) or (d)(ii) above in respect of any losses, claims, damages or liabilities (or actions or proceedings in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative fault of the Company on the one hand and the Investor on the other in connection with the statements or omissions or other matters which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative fault shall be determined by reference to, among other things, in the case of an untrue statement, whether the untrue statement relates to information supplied by the Company on the one hand or the Investor on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement. The Company and the Investor agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Investors were treated as one entity for such purpose) or by any other method of allocation which does not take into account the equitable considerations referred to above in this subsection (d)(iv). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), the Investor shall not be required to contribute any amount in excess of the amount by which the gross amount received by the Investor from the sale of the Shares to which such loss relates exceeds the amount of any damages which the Investor has otherwise been required to pay by reason of such untrue statement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Investors' obligations in this subsection to contribute are several in proportion to their sales of Shares to which such loss relates and not joint.

The parties to this Agreement hereby acknowledge that they are sophisticated business persons who were represented by counsel during the negotiations regarding the provisions hereof including, without limitation, the provisions of this Section 6.4, and are fully informed regarding said provisions. They further acknowledge that the provisions of this Section 6.4 fairly allocate the risks in light of the ability of the parties to investigate the Company and its business in order to assure that adequate disclosure is made in the Registration Statement as required by the Securities Act and the Exchange Act.

6.5 Termination of Conditions and Obligations. The conditions precedent imposed by Section 4 or this Section 6 upon the transferability of the Securities shall cease and terminate as to any particular number of the Shares when such Shares shall have been effectively registered under the Securities Act and sold or otherwise disposed of in accordance with the intended method of disposition set forth in the Registration Statement covering such Shares or at such time as an opinion of counsel satisfactory to the Company shall have been rendered to the effect that such conditions are not necessary in order to comply with the Securities Act.

6.6 Information Available. So long as the Registration Statement is effective covering the resale of Registrable Securities owned by the Investor, the Company will furnish (or, to the extent such information is available electronically through the Company's filings with the SEC, the Company will make available) to the Eligible Investor:

(a) as soon as practicable after it is available, one copy of (i) its Annual Report to Stockholders (which Annual Report shall contain consolidated financial statements audited in accordance with generally accepted accounting principles by a national firm of certified public accountants) and (ii) if not included in substance in the Annual Report to Stockholders, its Annual Report on Form 10-K (the foregoing, in each case, excluding exhibits);

(b) upon the reasonable request of the Investor, all exhibits excluded by the parenthetical to subparagraph (a)(ii) of this Section 6.6 as filed with the SEC and all other information that is made available to shareholders; and

(c) upon the reasonable request of the Eligible Investor, an adequate number of copies of the Prospectuses to supply to any other party requiring such Prospectuses; and the Company, upon the reasonable request of the Eligible Investor, will meet with the Eligible Investor or a representative thereof at the Company's headquarters during the Company's normal business hours to discuss all information relevant for disclosure in the Registration Statement covering the Registrable Securities and will otherwise reasonably cooperate with the Investor conducting an investigation for the purpose of reducing or eliminating the Investor's exposure to liability under the Securities Act, including the reasonable production of information at the Company's headquarters; provided, that the Company shall not be required to disclose any confidential information to or meet at its headquarters with the Eligible Investor until and unless the Eligible Investor shall have entered into a confidentiality agreement in form and substance reasonably satisfactory to the Company with the Company with respect thereto.

6.7 Public Statements. By 7:30 a.m., Eastern time, on the trading day immediately following the execution of this Agreement, the Company shall issue one or more press releases disclosing all material terms of the transactions contemplated hereby. The Company agrees to disclose on a Current Report on Form 8-K the existence of the Offering and the material terms, thereof, including pricing, within one (1) Business Day after the Closing. Such Current Report on Form 8-K shall include a form of this Agreement as an exhibit thereto. The Company will not issue any public statement, press release or any other public disclosure listing the Investor as one of the purchasers of the Securities without the Investor's prior written consent, except as may be required by applicable law or rules of any exchange on which the Company's securities are listed.

6.8 Limits on Additional Issuances. Except for the issuance of stock options under the Company's stock option plans, the issuance of common stock upon exercise of outstanding options and warrants and the offering contemplated hereby, the Company will not, for a period of six months following the final closing date of the Offering, offer for sale or sell any securities unless, in the opinion of the Company's counsel, such offer or sale does not jeopardize the availability of exemptions from the registration and qualification requirements under applicable securities laws with respect to the Offering.

The foregoing shall not apply to securities issued in connection with any acquisition, including by way of merger, or purchase of stock or all or substantially all of the assets of any third party. Except for the issuance of stock options under the Company's stock option plans, the issuance of common stock under the Company's employee stock purchase plan or upon exercise of outstanding options and warrants, the issuance of common stock purchase warrants, and the offering contemplated hereby, the Company has not engaged in any such offering during the six months prior to the date of this agreement. The foregoing provisions shall not prevent the Company from filing a "shelf" registration statement pursuant to Rule 415 under the Securities Act, but the foregoing provisions shall apply to any sale of securities thereunder.

7. Notices. All notices, requests, consents and other communications hereunder shall be in writing, shall be delivered (A) if within the United States, by first-class registered or certified airmail, or nationally recognized overnight express courier, postage prepaid, or by facsimile, or (B) if from outside the United States, by International Federal Express (or comparable service) or facsimile, and shall be deemed given (i) if delivered by first-class registered or certified mail domestic, upon the Business Day received, (ii) if delivered by nationally recognized overnight carrier, one (1) Business Day after timely delivery to such carrier, (iii) if delivered by International Federal Express (or comparable service), two (2) Business Days after so mailed, (iv) if delivered by facsimile, upon electric confirmation of receipt and shall be addressed as follows, or to such other address or addresses as may have been furnished in writing by a party to another party pursuant to this paragraph:

9. Headings. The headings of the various sections of this Agreement have been inserted for convenience of reference only and shall not be deemed to be part of this Agreement.

STOCK PURCHASE WARRANT

**To Subscribe for and Purchase
Common Stock of**

ENTEROMEDICS INC.

THIS CERTIFIES THAT, for value received, NAME , or registered assigns, (herein referred to as the "Purchaser" or "holder"), is entitled to subscribe for and purchase from EnteroMedics Inc. (herein called the "Company"), a corporation organized and existing under the laws of the State of Delaware, at the exercise price specified below (subject to adjustment as noted below) at any time beginning on the date that is August 24, 2009 to, and including February 24, 2013 (the "Expiration Date"), () fully paid and nonassessable shares ("Shares") of common stock (herein the "Common Stock") (subject to adjustment as noted below). This Warrant has been issued pursuant to a Securities Purchase Agreement, dated as of February 19, 2009 (the "Agreement"), between the Purchaser and the Company.

The warrant exercise price (subject to adjustment as noted below) shall be \$1.38 per Share (the "Warrant Purchase Price").

This Warrant is subject to the following provisions, terms and conditions:

1. The rights represented by this Warrant may be exercised by the holder hereof, in whole or in part, by written notice of exercise delivered to the Company and by the surrender of this Warrant (properly endorsed if required) at the principal office of the Company and upon payment to it by check of the Warrant Purchase Price for such Shares. The Company agrees that the Shares so purchased shall be and are deemed to be issued to the holder hereof as the record owner of such Shares as of the close of business on the date on which this Warrant shall have been surrendered and payment made for such Shares as aforesaid. Subject to the provisions of the next succeeding paragraph, within 10 business days after the rights represented

by this Warrant shall have been exercised the Company shall cause its transfer agent to issue the Shares of stock so purchased to Purchaser in book-entry format and deliver evidence of such issuance to Purchaser, and, unless this Warrant has expired, a new Warrant representing the number of Shares, if any, with respect to which this Warrant shall not then have been exercised shall also be delivered to the holder hereof within such time.

2. The Company represents and warrants that this Warrant has been duly authorized by all necessary corporate action, has been duly executed and delivered and is a legal and binding obligation of the Company, enforceable against the Company in accordance with the terms of this Warrant, except to the extent (i) such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' and contracting parties' rights generally and (ii) such enforceability may be subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law. The Company covenants and agrees that all Shares which may be issued upon the exercise of the rights represented by this Warrant according to the terms hereof or represented by the Common Stock will, upon issuance and payment therefor, be duly authorized and issued, fully paid and nonassessable. The Company further covenants and agrees that during the period within which the rights represented by this Warrant may be exercised, the Company will at all times have authorized, and reserved for the purpose of issue or transfer upon exercise of the subscription rights evidenced by this Warrant, a sufficient number of shares of its Common Stock to provide for the exercise of the rights represented by this Warrant, free from preemptive rights or other actual contingent purchase rights other than those held by a holder of this Warrant (as a result of holding this Warrant).

3. The Company will pay any documentary stamp taxes attributable to the issuance of Shares of Common Stock upon the exercise of this Warrant; provided, however, that the Company shall not be required to pay any tax which may be payable in respect of any transfer involved in the registration of any certificates for Warrants, or shares of Common Stock issued upon exercise of this Warrant, in a name other than that of the Purchaser. The Purchaser shall be responsible for all other tax liability that may arise as a result of holding or transferring this Warrant or receiving Shares of Common Stock upon exercise hereof.

4. The above provisions are, however, subject to the following:

(a) The Warrant Purchase Price shall, from and after the date of issuance of this Warrant, be subject to adjustment from time to time as hereinafter provided. Upon each adjustment of the Warrant Purchase Price, the holder of this Warrant shall thereafter be entitled to purchase, at the Warrant Purchase Price resulting from such adjustment, the number of Shares obtained by multiplying the Warrant Purchase Price in effect immediately prior to such adjustment by the number of Shares purchasable pursuant hereto immediately prior to such adjustment and dividing the product thereof by the warrant purchase price resulting from such adjustment.

(b) In case the Company shall (i) declare a dividend upon the Common Stock payable in Common Stock (other than a dividend declared to effect a subdivision of the outstanding shares of Common Stock, as described in subparagraph (c) below) or any obligations or any shares of stock of the Company which are convertible into or exchangeable

for Common Stock (such obligations or shares of stock being hereinafter referred to as “Convertible Securities”), or in any rights or options to purchase any Common Stock or Convertible Securities, or (ii) declare any other dividend or make any other distribution upon the Common Stock payable otherwise than out of earnings or earned surplus, then thereafter the holder of this Warrant upon the exercise hereof will be entitled to receive the number of shares of Common Stock to which such holder shall be entitled upon such exercise, and, in addition and without further payment therefor, such number of shares of Common Stock, such that upon exercise hereof, such holder would receive such number of shares of Common Stock as a result of each dividend described in clause (i) above and each dividend or distribution described in clause (ii) above which such holder would have received by way of any such dividend or distribution if continuously since the record date for any such dividend or distribution such holder (i) had been the record holder of the number of shares of Common Stock then received, and (ii) had retained all dividends or distributions in stock or securities (including Common Stock or Convertible Securities, or in any rights or options to purchase any Common Stock or Convertible Securities) payable in respect of such Common Stock or in respect of any stock or securities paid as dividends or distributions and originating directly or indirectly from such Common Stock. For the purposes of the foregoing, a dividend or distribution other than in cash shall be considered payable out of earnings or surplus only to the extent that such earnings or surplus are charged an amount equal to the fair value of such dividend as determined by the Board of Directors of the Company.

(c) In case the Company shall at any time subdivide its outstanding shares of Common Stock into a greater number of shares, the Warrant Purchase Price in effect immediately prior to such subdivision shall be proportionately reduced, and conversely, in case the outstanding shares of Common Stock of the Company shall be combined into a smaller number of shares, the Warrant Purchase Price in effect immediately prior to such combination shall be proportionately increased.

(d) If any capital reorganization or reclassification of the capital stock of the Company, shall be effected in such a way that holders of Common Stock shall be entitled to receive stock or securities with respect to or in exchange for Common Stock, then, as a condition of such reorganization, reclassification or consolidation, lawful and adequate provision shall be made whereby the holder hereof shall thereafter have the right to purchase and receive, upon the basis and upon the terms and conditions specified in this Warrant and in lieu of the Shares of the Common Stock of the Company immediately theretofore purchasable and receivable upon the exercise of the rights represented hereby, such shares of stock or securities as may be issued or payable with respect to or in exchange for a number of outstanding shares of such Common Stock equal to the number of shares of such stock immediately theretofore purchasable and receivable upon the exercise of the rights represented hereby had such reorganization, reclassification or consolidation not taken place, and in any such case appropriate provision shall be made with respect to the rights and interests of the holder of this Warrant to the end that the provisions hereof (including without limitation provisions for adjustments of the warrant purchase price and of the number of shares purchasable upon the exercise of this Warrant) shall thereafter be applicable, as nearly as may be, in relation to any shares of stock or securities thereafter deliverable upon the exercise hereof.

(e) Upon any adjustment of the Warrant Purchase Price or any adjustment of any material terms hereof, then and in each such case an officer of the Company shall, as soon as practicable after the occurrence of any event that requires an adjustment or readjustment, give signed written notice thereof, by first-class mail, postage prepaid, addressed to the registered holder of this Warrant at the address of such holder as shown on the books of the Company, which notice shall state the Warrant Purchase Price resulting from such adjustment, any material change in the terms of the Warrant, and the increase or decrease, if any, in the number of Shares purchasable at such price upon the exercise of this Warrant, setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based.

(f) In case any time:

(i) the Company shall declare any cash dividend on its capital stock at a rate in excess of the rate of the last cash dividend theretofore paid;

(ii) the Company shall pay any dividend payable in stock upon its capital stock or make any distribution (other than regular cash dividends) to the holders of its capital stock;

(iii) there shall be any capital reorganization, or reclassification of the capital stock of the Company; or

(iv) there shall be a voluntary or involuntary dissolution, liquidation or winding up of the Company;

then, in any one or more of said cases, the Company shall give written notice, by first-class mail, postage prepaid, addressed to the registered holder of this Warrant at the address of such holder as shown on the books of the Company, of the date on which (aa) the books of the Company shall close or a record shall be taken for such dividend, distribution or subscription rights, or (bb) such reorganization, reclassification or consolidation, dissolution, liquidation or winding up, or conversion or redemption shall take place, as the case may be. Such notice shall also specify the date as of which the holders of capital stock of record shall participate in such dividend, distribution or subscription rights, or shall be entitled to exchange their capital stock for securities or other property deliverable upon such reorganization, reclassification, consolidation, dissolution, liquidation or winding up, or conversion or redemption, as the case may be. Such written notice shall be given at least 20 days prior to the action in question and not less than 20 days prior to the record date or the date on which the Company's transfer books are closed in respect thereto.

(g) If any event occurs as to which in the opinion of the Board of Directors of the Company the other provisions of this paragraph 4 are not strictly applicable or if strictly applicable would not fairly protect the purchase rights of the holder of this Warrant or of Common Stock in accordance with the essential intent and principles of such provisions, then the Board of Directors shall make an adjustment in the application of such provisions, in accordance with such essential intent and principles, so as to protect such purchase rights as aforesaid.

5. This Warrant shall not entitle the holder hereof to any voting rights or other rights as a stockholder of the Company.

6. The holder of this Warrant, by acceptance hereof, agrees to give written notice to the Company before transferring this Warrant or transferring any Common Stock issuable or issued upon the exercise hereof of such holder's intention to do so, describing briefly the manner of any proposed transfer of this Warrant or such holder's intention as to the disposition to be made of shares of Common Stock issuable or issued upon the exercise hereof. Such holder shall also provide the Company with an opinion of counsel satisfactory to the Company to the effect that the proposed transfer of this Warrant or disposition of shares may be effected without registration or qualification (under any Federal or State law) of this Warrant or the shares of Common Stock issuable or issued upon the exercise hereof. Upon receipt of such written notice and opinion by the Company, such holder shall be entitled to transfer this Warrant, or to exercise this Warrant in accordance with its terms and dispose of the shares received upon such exercise or to dispose of shares of Common Stock received upon the previous exercise of this Warrant, all in accordance with the terms of the notice delivered by such holder to the Company, provided that an appropriate legend respecting the aforesaid restrictions on transfer and disposition may be endorsed on this Warrant or the certificates for such shares.

7. Subject to the provisions of paragraph 7 hereof, this Warrant and all rights hereunder are transferable, in whole or in part, at the principal office of the Company by the holder hereof in person or by duly authorized attorney, upon surrender of this Warrant properly endorsed. Each taker and holder of this Warrant, by taking or holding the same, consents and agrees that the bearer of this Warrant, when endorsed, may be treated by the Company and all other persons dealing with this Warrant as the absolute owner hereof for any purpose and as the person entitled to exercise the rights represented by this Warrant, or to the transfer hereof on the books of the Company, any notice to the contrary notwithstanding; but until such transfer on such books, the Company may treat the registered holder hereof as the owner for all purposes.

8. This Warrant is exchangeable, upon the surrender hereof by the holder hereof at the principal office of the Company, for new Warrants of like tenor representing in the aggregate the right to subscribe for and purchase the number of shares which may be subscribed for and purchased hereunder, each of such new Warrants to represent the right to subscribe for and purchase such number of shares as shall be designated by said holder hereof at the time of such surrender.

9. The holder hereby acknowledge and agree that this Warrant constitutes a "*restricted security*" under applicable U.S. federal and state securities laws and that, pursuant to these laws, the holder must hold the Warrant (including Shares of Common Stock issuable upon exercise hereof) indefinitely unless they are registered with the SEC and qualified by state authorities, or an exemption from such registration and qualification requirements is available. The holder acknowledges that, except as set forth in the Agreement, the Company has no obligation to register or qualify the Warrant (including Shares of Common Stock issuable upon exercise thereof) for resale. This Warrant and the Shares shall be imprinted with a legend in substantially the form set forth in Section 6.3(b) of the Securities Purchase Agreement.

10. All questions concerning this Warrant will be governed and interpreted and enforced in accordance with the internal law, not the law of conflicts, of the State of Delaware.

IN WITNESS WHEREOF, EnteroMedics Inc. has caused this Warrant to be signed by its duly authorized officer and this Warrant to be dated as of the date set forth above.
